

YMCA Pickleball Ladder Summer 2024 FAQ's!

The Y Pickleball Ladder starts in May. This year space is limited to the first 30 players that sign up in the beginner bracket. The Ladder is open to members of the Y as well as non-members.

What is a Ladder? Each week for **eight** weeks, players are assigned to a court. A game is played with and against every player assigned to that court. Then, the next week players move up or down depending on their results. The Ladder is designed to give each player challenging matches to help improve their game. See the FAQs below for more details.

Beginner Ladder: starts on Wednesday, May 8th, 6 to 8 pm. Register here:
